FOREWORD

The International Journal of Business Law, Business Ethic, Business Communication and Green Economics (IJBGE) is published quarterly in March, June, September, and December. The journal ensures open access to all its content, facilitating the dissemination of knowledge and fostering academic discussions among researchers, scholars, and professionals. Upholding stringent ethical publishing standards, the journal emphasizes transparency and integrity in all its publications.

IJBGE publishes papers that strictly adhere to the guidelines and templates for manuscript preparation. Every submitted manuscript undergoes a rigorous double-blind peer review process. Initially, members of the editorial team, who are experts in the relevant fields, review the manuscripts. The managing editor screens them to ensure they meet the necessary criteria for publication. Manuscripts are then sent to two reviewers, selected based on their reviewing experience and area of expertise. The journal maintains consistency in its review process, ensuring that the same criteria are evaluated by both reviewers. The Editorial Board makes final publication decisions based on the reviewers' comments and suggestions. Reviewers assess manuscripts for originality, clarity of presentation, and contribution to the field.

IJBGE publishes a variety of articles, including research papers, review articles, case reports, and conceptual or policy papers, across all areas of business law, business ethics, business communication, and green economics. All published articles are original works that have not been previously published. Both internal and external reviewers thoroughly evaluate incoming submissions.

The Editorial Board is committed to continually enhancing the quality of the journal, aiming to establish it as a crucial reference in scientific development. We extend our deepest gratitude to our reviewers, editorial board members, and all parties involved in the publication process.

Sincerely,

Ruslaini, S.E., M.M., CIQnR., CIQaR

Editor-in-chief

INTERNATIONAL JOURNAL OF BUSINESS LAW, BUSINESS ETHIC, BUSINESS COMMUNICATION AND GREEN ECONOMICS

VOLUME 1 NO. 2 JUNE 2024

FOCUS AND SCOPE OF THE JOURNAL

International Journal of Business Law, Business Ethic, Business Communication & Green Economics (IJBGE) is a peer-reviewed international journal published by STIE Kasih Bangsa Institute of Research and Community Services/Lembaga Penelitian dan Pengabdian kepada Masyarakat. The journal provides open access to all its content, fostering knowledge dissemination and scholarly discussions among researchers, academics, and practitioners. Committed to ethical publishing standards, the journal upholds transparency and integrity in all its publications.

IJBGE serves as an academic platform which integrates four critical domains within the business context: **Business Law, Business Ethic, Business Communication, and Green Economics**. The primary objective of the journal is to present contemporary research, analysis, and innovative concepts which enhance the understanding of how business law can function efficiently, with social responsibility, and in an environmentally sustainable manner. The articles published within this journal encompass a broad spectrum of topics, including current legal issues in the business context, ethical dilemmas encountered by corporations, effective business communication strategies, and economic analyses related to sustainable development and environmental conservation. This publication is issued quarterly in **March, June, September and December**.
